

Ishan Thakur

CSE Undergraduate

A dedicated student with professional attitude who believes in team work. A creative learner who is passionate about Machine Learning and Data Science. I've chosen Artificial Intelligence as my proficiency to make my skill set vast and robust.

EDUCATION

Bachelor of technology

Jaypee University of Information Technology

07/2018 - Present

CGPA-9.1

XII | HP Board

Minerva Senior Secondary School

04/2016 - 03/2017

90.4%

X | HP Board

Minerva Senior Secondary School

04/2014 - 03/2015

90.86%

PROFESSIONAL TRAINING

Machine Learning Masters

iNeuron Intelligence

08/2021 - 05/2022

Achievements/Tasks

- I completed a online training on machine learning. The training consisted of core python, webscrapping, pandas, numpy, matplotlib, sklearn, statistics, probability, machine learning algorithms.

DSA and Data Science

Pepcoding

12/2021 - Present

Achievements/Tasks

- Learned about various data structures such as arrays, stack, queue, Hashmap, hashset, linked list, graphs, trees and algorithms such as sorting algorithms, binary search, Kadane's algorithm, breadth first search, prim's algo. and so on

SKILLS

JAVA

PYTHON

DBMS

MACHINE LEARNING

DEEP LEARNING

DATA ANALYSIS

DATA SCIENCE

PANDAS/NUMPY

DATA STRUCTURES AND ALGORITHMS

OBJECT ORIENTED PROGRAMMING

PERSONAL PROJECTS

Thyroid Detection using Machine Learning

- Improved testing practices involved in thyroid detection using python, sklearn and machine learning algorithms.

Bank Note Authentication using Machine Learning

- Made a API using streamlit in which base model is a machine learning algorithm. Gives result whether a note is genuine or not according to the user input

ORGANIZATIONS

Cognizant (02/2022 - Present)

I have been assigned Program Analyst role. Currently, doing internship in Data Engineering.

CERTIFICATES

Machine Learning Masters

iNeuron Intelligence

Data Analysis with Pandas and Python

Udemy

Data Visualization using Matplotlib

Udemy

LANGUAGES

Python

Full Professional Proficiency

SQL

Full Professional Proficiency

JAVA

Professional Working Proficiency

C++

Professional Working Proficiency
